Today's Real Estate reality is that demand is far exceeding supply in the Comox Valley market. In an attempt to help satisfy this demand two new developments are on the horizon, one offering single family building lots alongside two future multi-sites, while the second concentrates on maintenance-free strata patio-home living.

Greystone Estates is nestled in the centre of the Community close to the Crown Isle Resort Centre with a single entrance / exit coming off Majestic Drive. Bordered by holes 8, 9 and 10 of the golf course, Greystone will afford stunning views and pastoral backdrops to many of the future properties. This new development will bring to the Community 54 single family building lots plus two additional multi-sites (actual offering yet to be determined).

"To ensure consistency in home design, new home construction will follow a similar Building Scheme as the rest of the Crown Isle Community," says Jason Andrew, Director of Real Estate.

New residents will be able to choose from existing designs or build the custom home of their dreams. Construction will be available through Homes by Crown Isle and Integra Homes. With its central location, Greystone Estates is arguably the best location within the Crown Isle Community with synergies with the Resort Centre, Thrifty's Plaza and Costco. Registration of the lots is expected in late July with new home construction following close behind.

Another exciting development coming soon is **Silverstone Estates**, a 48 unit patio home site being built by Integra Homes. These spectacular units will line the pristine fairways and lakes of the 14th, 15th and 16th holes of our championship golf course. The architectural style is Craftsman/Farmhouse, designed with an open-concept living space that transitions to the outdoor patio so that you can take in the amazing views. Silverstone will be built in 5 phases, starting in the summer of 2021.

Beyond these two developments, the Real Estate team at Crown Isle has plenty of future development ahead and is currently working on three other areas including plans for the RISE on the north side of Ryan Road along with lands to the east of the golf course to the Anderton / Ryan Road corner.

Let's Eat!

NEW FAVOURITES ON THE TIMBER ROOM MENU

Check out these and many other delicious options on our updated summer menu in the Timber Room. Open daily 11-9 (indoor, take out and patio - weather permitting)

Quick Updates

KEEP UP WITH THE LATEST NEWS

FATHER'S DAY

Chef Dan Vogt is working on something special to celebrate all the dads on Sunday, June 20. Check our website or social media for more details coming soon.

PATIO EXTENSION

The extension to the Timber Room patio is in place and should be completed in early June.

CART PATH REPAIRS

We have been working hard on new paving and repairs to the cart paths on the golf course. Some of this work will continue through the summer.

#10 DRY POND

Work continues on this update to the 10th fairway but is nearly completed. Additional sod will be laid in mid-June.

FRIDAYS AT FOUR CLINIC

Every Friday at 4 PM join Head Professional Jared Siminoff for a clinic; June's topic is short game. Pick a Friday and register by emailing jared@crownsisle.ca.

THE PARK RESTAURANT

With a new menu we are very excited to announce the Park restaurant is now open. The hours of operations for the Park will be daily from 10:00 – 5:00. We are also expanding the patio at the Park which will be a perfect spot to enjoy lunch with a cold one from one of our local breweries.
