Real Estate Update

WITH JASON ANDREW,
DIRECTOR OF
REAL ESTATE

So much for a slowdown in the Real Estate market. Following a slight slowdown in the latter half of 2019 in both Vancouver and Victoria pricing has stabilized and sales have started to rise once again. Secondary markets in the Prairies are showing signs of recovery and reports from the rest of Canada are showing increasing sales and articles stating the Real Estate recession is over. Locally, listings are once again on the rise as many property owners look to be ready for spring sales. Our Team is excited about the future and are cautiously optimistic that our market will continue to move forward and both pricing and sales will remain consistent.

“Listings are once again on the rise as many property owners look to be ready for spring sales.”

We are looking forward to West Urban Developments starting construction on their project behind Galaxy Motors which will bring town homes and apartments to the area including some much-needed rental properties. www.westurban.ca

We are currently working on two separate sites within the community. Our team is hoping for third and fourth reading as we continue to move through the rezoning process following the Public Hearing last month for lands behind Britannia Place and Corinthia Estates. Our hope is to begin pre-sales on several different product types later this Spring. If the re-zoning goes forward, the overall site will offer varied product types including single family, with and without secondary suites, patio homes and possible town homes.

In addition, we are also in for Preliminary Layout Review with the City of Courtenay for more Single-Family lots in the area between holes 8, 9 & 10 off Majestic Drive. These will be premier lots including fairway lots on both the 8th and 10th holes. We will begin taking reservations within the next two months if all keeps moving forward with hopes of

starting servicing and road work later this summer.

For more information regarding pricing, availability, building scheme or just to follow-up a good rumor within the Community, please email our team at realestate@crownsisle.ca and we would be glad to help. *No One Knows Crown Isle Like We Do!*
